Sir,

Hyderabad Situation - Security measures - Hospet.
Inspection Bungalow - Telephone connection - Order
requested.

Due to the starting of the Military action
against Hyderabad, it has become absolutely necessary for
the Police, Revenue, Military and other officers to keep
in close touch with the local situation as well as to contact
various officers at very short intervals on urgent work.
The usual halting place for the officers is the
Inspection Bungalow, which is about a mile away from town.
As it has become necessary to go into the town every
time we had to contact any officer or to keep in close
touch with the situation. Some times this plan is
causing anxiety and administrative inconvenience. I have
therefore ordered today that a telephone should be installed
in the Inspection Bungalow with connection to the local
exchange in anticipation of Government sanction.

I request that action may kindly be approved
and the necessary amount ~~may~~ for the same.

Orders may kindly be communicated to me
very soon.

Sir,

Sub: - Telephones- Bellary Dt- Hospet Inspection
Bungalow- Installation of

Ref: - Govt. Memorandum No. 4871/38-1, Public Military
Department dated 23rd September 1948.

Though the Police action has ended, there is the necessity of continuing the defence measures in the district specially in Hospet which adjoins Munirabad. Further in view of the stationing of the Military at Munirabad, it will be necessary for officers of the Revenue and Police to contact them often. On the night of the 14th, when the safety of Hospet was apprehended, I and the Deputy Inspector-General of Police, had to sleep in the Police Station for want of telephonic facilities in the Inspection Bungalow. I have already reported that though the police action is closed, the necessity for communication with the Officers of various departments still exists, and without a telephone in the Inspection bungalow, it will be necessary for the Officer camping to go to the Police Station which is a mile and a half away from the Inspection Bungalow. This will result in unnecessary delay and inconvenience.

B | I therefore request that permission may be accorded to have the telephone connection in the Inspection Bungalow for three months more.

I request that orders of sanction may be communicated to me soon.

K.N. Anantaraman
